DOSM/BMP/1.2021/Series 51

TECHNICAL CONSULTANCY SERVICES (TCS) ACTIVITIES FOR JANUARY - OCTOBER 2021

DEFINITION OF KPI

A **simple and effective measurement system** that can assist a Department in **evaluating the level of progress** for its key activities and services delivered. The **target set by DOSM** for this activity is **150 consultancy services per year.**

DEFINITION OF TCS

Technical advisory or consulting services to agencies that require such services mostly **related to sample design, questionnaires and analysis of data by the agency.** It also includes advisory services and consultation on data supplied by the Department.

OBJECTIVE OF TCS

Assist agencies or researchers with the study that will be conducted.
