MONTHLY EXTERNAL TRADE STATISTICS, APRIL 2024

Malaysia's trade performance continued to show its positive trend in April 2024 along with the increase in exports and imports. Total trade rose by RM24.0 billion or 12.1 per cent to reach a value of RM221.7 billion, year-on-year (y-o-y). The trade balance continued to record a surplus amounting to RM7.7 billion, down 39.0 per cent as compared to RM12.6 billion in the same period last year.

A monthly comparison showed a negative performance for the trade sector. Exports recorded a decrease of 10.8 per cent and imports decreased by 7.6 per cent. Accordingly, the total trade decreased by 9.3 per cent and the trade surplus decreased by 39.4 per cent as compared to March 2024.

From January to April 2024, the performance of total trade, exports and imports maintained positive growth as compared to the same period in the previous year. The total trade increased by 8.3 per cent, supported by the expansion of exports (+3.8%) as well as imports (+13.7%). On the other hand, the trade surplus contracted 45.7 per cent.
