Malaysia's Current Account Balance (CAB) recorded a surplus of RM2.0 billion in the fourth quarter of 2025, supported by a larger surplus in the Services account of RM5.0 billion and net exports of Goods totalling RM23.6 billion. Meanwhile, the Financial account registered a higher net inflow of RM12.3 billion (Q3 2025: net outflow RM11.2 billion), driven by inflows in Direct investment.

Foreign Direct Investment (FDI) registered a higher net inflow of RM27.8 billion (Q3 2025: net inflow of RM8.5 billion), supported by inflows in both Equity & investment fund shares and Debt instruments. At the same time, Direct Investment Abroad (DIA) posted a value of RM2.8 billion in Q4 2025 (Q3 2025: net outflow of RM1.7 billion), mainly contributed by Equity injections and reinvested earnings abroad.

In 2025, the CAB reached a surplus of RM31.8 billion, while the Financial account recorded a higher net outflow of RM21.4 billion. FDI inflows registered a value of RM53.5 billion as against RM51.5 billion in previous year. Meanwhile, DIA registered a lower net outflow of RM7.4 billion as compared to RM33.9 billion in the previous year.
